**Verbal evaluations, unabridged, no censorship:**

- 1) More practice exercises are needed to explain the more difficult concepts.
- 2) Stankov is very conscientious and strict about his work. The university needs this kind of teachers.
- 3) For me, asst. prof. Stankov is the most honest and upright assistant whom I have had the pleasure to have for a teacher.
- 4) I have no recommendations. The teaching is at a high level.
- 5) You are the best teacher we've had and will have.
- 6) He's precise, and correct towards his students. Thank you, Mr. Stankov.
- 7) He is giving the necessary information in a good and easily accessible way.
- 8) I would recommend giving students a chance to be exempt from exams, and more games and discussions.
- 9) The assistant explains very well and in a very understandable way.
- 10) The classes are extremely useful and pleasant.
- 11) I am completely satisfied with the work of the teacher.
- 12) I would recommend more dialog with the students outside the given topics. Otherwise -- well done.
- 13) I would have liked the course to be a bit deeper so that I can learn even more, i.e. we have to have more TA sessions.
- 14) I am glad that you have taught us.
- 15) Thank you for your professional teaching and thanks for your nerves.
- 16) The teacher completely fits within my criteria and vision of a well-qualified and able teacher.
- 17) The biggest:)
- 18) Thanks:)
- 19) I am satisfied!
- 20) Stankov is cool!
- 21) There is an apparent professionalism, knowledge, and experience. However, sometimes the humor goes a bit over the top and thus we lose some part of the class.
- 22) I would like to have either homeworks or presentations as assignments.
- 23) If you were in Boyko's place [Boyko Borisov is the incumbent prime minister], we would have been much better :D.
- 24) Super professional and objective without being too distant.
- 25) This is one of the few classes I deliberately attend. Inspired by you, I am going to apply for a major in Macroeconomics. Stankov for president!
- 26) Sr. asst. prof. Stankov is one of the few teachers at UNWE who knows why they are here! I am extremely satisfied with him. I cannot say anything about q-n 8 because the final grades are not ready yet.
- 27) To me Sr. asst. prof. Stankov knows his job very well.
- 28) I am extremely satisfied with the teacher and I am happy to know him. I hope he teaches us the next semester too. Stay cool:)
- 29) Чичковите червеноглави чичковчета [not able to translate, and not sure it means anything in this context, the direct translation would be: Uncle's red-headed pumpkins.]
- 30) Prof. Markov is also a very good teacher.
- 31) I have no serious recommendations. There is always room for improvement but it will all come with time.
- 32) Bravo to prof. Stankov!
- 33) The teacher could use additional materials in class so that everything becomes more clear.
- 34) If every teacher at this school was like you, we would have wanted to study at home regularly for every subject.
- 35) The teaching is at a high quality.
- 36) I am entirely happy with the way sr. asst. prof. Stankov teaches.
- 37) I think you overestimate us. If you feel there is a problem in this course it is probably because of us and our laziness.

38) The teacher should be more strict with the misbehaving students because they often take over the discussion in a non-productive way.

39) Very much satisfied!

40) Keep it up!

41) Remarkable professionalist.

42) Asst. Stankov, always be as devoted and as good teacher as you are now.

43) Sometimes the discussion goes off topic for too long.

44) You are cool.

45) P. Stankov is very responsible and an absolute role model. If everyone was like you the UNWE would have been a perfect place.
